

Cornerstone *for* K-12

Recruit, Develop & Retain Teachers, Leaders & Staff

KEY BUSINESS IMPACTS FOR K-12 EDUCATION

- Rapidly deliver and track professional development
- Align curriculum goals to overall district benchmarks
- Provide competency-based performance reviews
- Identify skill gaps and training needs
- Equip administrators with critical district performance metrics

According to the U.S. Department of Education, the United States will need to hire 3 million teachers in the next five years, due to rising enrollments, growing retirements, and high rates of attrition for beginning teachers. Districts must provide proven personalized development programs that assure the most qualified and prepared educators are connecting and serving students.

Recognizing that prepared students begin with prepared educators, Cornerstone OnDemand believes that developing and engaging faculty and staff is a critical way to improve outcomes in the classroom. Cornerstone empowers district leadership to recruit, develop, and retain high performing teachers and staff that creates a pathway to continuous improvement of providing an excellent education to all students. Cornerstone's comprehensive talent management solution provides all the tools required to help K-12 education districts:

- Recruit the best talent for key leadership and district staff roles
- Deliver targeted and personalized professional development to everyone
- Manage evaluation and performance metrics for all educators and staff
- Monitor compliance through an automated and accurate reporting platform
- Connect learning and performance initiatives with reporting and analytics platform
