

CORNERSTONE CONNECT

Improve employee productivity and social collaboration

Unnecessary silos, endless emails and unproductive meetings are costing organizations more than just time and money—they're also draining employee potential. It's time to completely reimagine employee productivity. Introducing the newly-designed Cornerstone Connect, a powerful social technology that helps employees collaborate better to get work done. Improve execution in critical business functions and allow everyone to contribute to teams and strategic goals much more effectively. Seamlessly blended with learning, performance and recruiting activities, Connect enables a level of productivity never before possible.

Cornerstone Connect is exactly what modern organizations need to accomplish so much more by connecting employees and enabling everyone to find experts and knowledge relevant to their everyday work.

Improve Employee Productivity

Break down organizational silos and mobilize employees to collaborate and contribute to specific projects and tasks and share knowledge. Watch as employees accomplish more.

Drive Team Alignment

Accomplish more together through organized task management, project to-do's, social feedback and team goal setting. Enable teams to work smarter-together.

Reach Goals Faster

Employees have the power to complete projects faster and appreciate each other's work, collaborate online, and streamline communication - all in one place.

Provide employees with comprehensive tools for communicating, collaborating and completing tasks all within the Cornerstone Unified Talent Management Solution.

Universal Profile

- Employees can manage their profile and bio
- View all talent activities in one place from Recruiting and Learning to Performance Management
- See social feedback from managers and peers

Task Management

- Manage and assign team tasks to improve productivity
