Improving Patient Care & Increasing Efficiencies

Healthcare organizations of all sizes are being challenged to deliver quality patient care while maintaining compliance, all at the lowest possible cost. Cornerstone OnDemand helps organizations address these critical compliance and workforce challenges with powerful, integrated talent management solutions.

With Cornerstone, healthcare organizations can grow their talent pipelines, manage staffing and competencies, and develop future executives—all from a single, secure platform. Cornerstone's complete talent management solution helps organizations:

Improve Patient Care. Ensure every employee delivers excellent patient care by standardizing training and using competency-based performance reviews. Evaluate and record skills onsite and provide relevant training to address shortfalls.

Educate Employees Anytime, Anywhere. Deliver continuing education—at a fraction of the cost of conventional training— with media-rich online content, instructor-led training, and social collaboration tools.

Ensure Compliance With Safety Protocols. Evaluate competencies and reduce liability by observing critical medical tasks as they are performed in real time.

Be Prepared For Staffing Changes. Reduce disruptions and improve business continuity by developing multiple succession scenarios for any position, months or years in advance.

Reduce Hiring Costs. Develop and manage a pay-for-performance culture to cultivate long-term loyalty. Retain and reward your existing workforce with tools designed to engage employees in determining their own career paths.

Key Organizational Impacts For Healthcare Operations

- Rapidly deliver and track regulatory compliance training
- Align individual goals to organizational goals
- Provide competency-based performance reviews
- Identify skill gaps for learning and training requirement needs
- Access critical business metrics and reporting
