

Improving Compliance & Employee Development

In a post-recession economy, manufacturers must find more cost-efficient methods of bringing products to market, while simultaneously meeting strict government regulations and ensuring employees and distributors have the knowledge to sell and support products. Cornerstone OnDemand addresses these critical compliance and workforce challenges with powerful, unified talent management solutions.

Cornerstone delivers the right tools to help manufacturers efficiently grow talent pipelines, manage staffing and competencies, and deliver training—all from a single, secure location.

With Cornerstone, manufacturers can:

Improve Quality Control And Lower Production Costs. Manage and integrate employee performance and benchmarks across all sites to track and cultivate continuous improvement.

Educate Employees Anytime, Anywhere. Deliver continuing education—at a fraction of the cost of conventional training—with media-rich online content, instructor-led training, and social collaboration tools.

Reduce Hiring Costs. Develop and manage a pay-for-performance culture to foster long-term loyalty. Retain your existing workforce with tools designed to engage employees in determining their own successful career paths.

Share Product Knowledge. Enable communication across all sites, cultivate one-on-one connectivity, and encourage the sharing of best business practices.
